

HOW TO DRAW BARKA

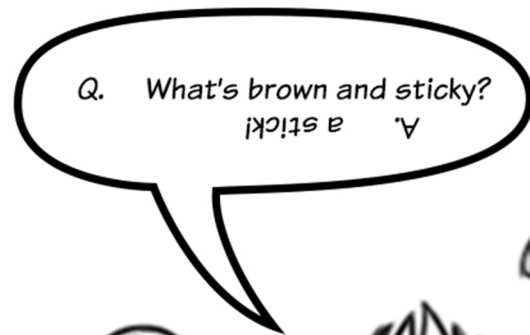

1 Drawing a circle for the body & add a squashed square on top for the head. Then draw 2 long bendy rectangle legs

2 Draw a smile and 2 eyes. Add 3 toes on each foot and a belly button.

3 Now add the rest of the details in. Teeth, nose and pupils. Some spiky hair on top and a circle around his tummy.

4 Finally put a tail on him and add some long wiggly arms.
