

HOW TO DRAW CRUNCH

Q: What's orange and
sounds like a parrot?

A: A carrot.

1 Draw a large D shape with a broad smile and legs.

2 Cut a bit out of the top of the D above the smile and add eyes. The tail is like 2 joined semi-circles.

3 Now add the rest of the details in. Nose, antennae and put on some banana shaped arms hanging down.

4 Finish off with a spiky mohawk. Put an x on the end of the nose. Add teeth and pupils.
